

FRANCISCAN PERIODICALS

Much new information has been surfacing in Franciscan research and study. And there are some periodicals which print articles and monographs on these Franciscan topics. The following periodicals would be helpful for informing Franciscans about the latest research and study. They would be basic for friary libraries, especially those of our formation units.

FRANCISCAN CONNECTIONS Franciscan Connections Blog can be accessed at:

A partnership between the Franciscan Study Center at Tilburg University, NL
and the Franciscan Institute at Saint Bonaventure University, NY

TAU A quarterly Franciscan review published in India. This little periodical contains articles written by some friars in India as well as from other parts of the Franciscan world. It is a good opportunity for those of the English-speaking world to read reflections on Franciscanism from a perspective other than European or American. Subscription can be obtained by writing TAU, St. Anthony's Friary, 85 Hosur Road, Bangalore 560 095, India.

FRANCISCAN STUDIES An annual volume which contains scholarly research and data from the Franciscan Institute at St. Bonaventure University. For information, check their website under Franciscan Institute Publications, St. Bonaventure, NY.
